

REFERENCE SHEET

SecurityRemote™ KeyFob

Once you have logged into your Virtual Keypad App™ and set up your security system, use this reference sheet to learn how your keyfob works.

USING YOUR KEYFOB

ARM BUTTON

To arm your security system, press the ARM button on the top of your key fob.

DISARM BUTTON

To disarm your security system, press the DIS button on the bottom of your key fob.

PANIC BUTTON

If you're in an emergency situation, press the panic button on the left side of your fob. Using the panic button immediately sends a message to your Emergency Monitoring Station and alerts the police that you need help.

FUTURE USE BUTTON

This button is reserved for future use.

HAVE QUESTIONS?

See your SecurityGateway™ System User Guide or contact your security system provider.
