

# This Stylish Keypad is Truly Yours

7-INCH CUSTOM BRANDED KEYPAD

ARMED

Custom Dealer Interface

**7-Inch Touchscreen Keypads can display your logo from Dealer Admin. But did you know you can have a fully customized interface?**

For only \$2000, a custom interface design will be developed for your keypads. Colors, backgrounds and animations will highlight your brand's unique personality throughout the keypad. No minimums, order as little as one unit at a time.

### Benefits

- Increase brand recognition
- Enhance customer experience
- Build loyalty and reduce takeovers

Custom Retail Interface

**Contact your regional sales manager today to take your customer experience to the next level.**
