

Version 203 Update

Effective November 2023, 1100R Wireless Repeaters are shipping with Version 203 (6/7/23) firmware.

Additional Wireless Keypads Update

Previously, customers were unable to add more than 4 wireless keypads to a system with 1100R repeaters. With updated Version 203 (6/7/23), the 1100R now supports up to 7 wireless keypads.
